PERSONAL NOTE

In planning our venture with this "Periodical Key" we have tried in every way we know how to put ourselves in "your shoes" to know just how we might be of the greatest help to you in your varied church activities. This is not an easy thing to do and we trust that as we continue in this project you will share with us any ideas you may have for making it more valuable and usable. We are open to almost any suggestion except lowering the price. This we cannot do for we've "skinned it to the bone" for you already. We would rather see your money in your church envelopes.
